PLEASE NOTE: This form is intended to advise you, the parent or guardian, that these non-prescription over-the-counter medications may be administered to your student. Your signature below is your acceptance of these conditions and dosages as directed by the product label.

The list above are over-the-counter medications approved by the Orange County Department of Education without a physician's order. Any additional over-the-counter medications requires a Licensed Physician's consent and signature in order to be dispensed at New Vista School. In doing so, please provide the school with the supply of the medication. All medications are to be kept and monitored in the School Health Office per school policy. Students may not carry medications in their backpack, lunch containers, or locker.

I have read and understand the above criteria.

Date: _____ Signature of Parent or Guardian: _____

This authorization expires at the end of the school year in which it is made.
