

School Accountability Report Card Reported Using Data from the 2021–22 School Year

California Department of Education
Published during the 2022-2023

Address: 23092 Mill Creek Drive, Laguna Hills

Phone: 949-455-1270

Principal: Juhi Sharma

Grade Span: 6-12+

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools,

and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Please note: New Vista School is a private, state-certified, non-public special education school, serving district-placed students as well as those from the private sector. Although included in much of our general data, the private students are not subject to the testing and data reporting requirements of those students who are publicly funded. In addition, all data from state testing that some of the district placed students participate in is rolled into and reported at their district level, not at the non-public school level.

Throughout this document the letters DPL refer to data provided by the LEA, and the letters DPC refer to data provided by the CDE.

Table 3: School Description and Mission Statement (School Year 2021–2022)

MISSION STATEMENT

New Vista serves the educational and social needs of Autism Spectrum Disorder (ASD), as well as those with similar learning differences. The school serves grades 6-12 and offers a 12+ years option. Transition programs are also offered for young adults.

Our Missions: Educating Students for Life

We are a private nonprofit, 501c3, WASC accredited school serving Orange County, California. We are authorized to serve ASD students through the Non-Public School (NPS) option available to qualified families and school districts. Our academic and social curricula are gained by the following values: Safety, Respect, Responsibility, Initiative, Problem-Solving, and Resiliency.

HISTORY

New Vista School is a small private nonpublic grade 6-12+ educational center located in Laguna Hills, California. It was founded in 1988 with a mission of educating students with special needs. Over the years, changes in location, administration and a name change (2006) narrowed the mission to serving those students, who are diagnosed with high functioning Autism and language learning disabilities, Students attend from communities throughout the greater Orange County and surrounding areas.

New Vista School is a non-profit 501(c)(3) school that opened in September 2006. The school began with just 22 students and has grown to approximately 87 students in the current school year. Most of the parents of students enrolled at New Vista School are self-funded and approximately 10% of them receive tuition assistance. Nearly a third of the population at New Vista School is receiving some form of reimbursement from a school district.

ACADEMICS

Two academic programs flow through our middle school and high school grades. Students may earn a high school diploma, or earn a Certificate of Completion, depending on the student's individual needs. A third post-secondary program is available for students who want to earn continuing education career pathway certifications and/or advanced academic degrees. Students learn to write effectively for self-expression and communication; demonstrate their understanding of information and how to research questions and problems. They learn mathematical strategies, acquire tools for problem-solving; learn test-taking and study-skills for being successful learners. Students also learn the value of knowledge and the importance of being life-long learners.

SOCIAL SKILLS

Students develop the social skills necessary, through leveled research-based strategies and best practices, to initiate and respond effectively in conversations, nurture healthy relationships; employ collaborative problem-solving and conflict resolution; regulate their emotions and display appropriate behaviors for any given situation.

COMMUNITY

Students will be actively involved in the community through field trips and volunteerism. Even though every student is exposed to community-based instruction, it is part of the curriculum for juniors and seniors. They will become knowledgeable active participants by meeting with community members, performing volunteer work, and visiting key sites in the community. Students will also learn about the resources available to them through community presentations, classroom instruction, and school counseling.

SELF-ADVOCACY

Students develop an understanding of how to articulate their needs, strengths, and challenges. They learn how to express themselves appropriately in different contexts, ask questions, and find answers. Students also learn how to recognize they most effectively learn or work and how to advocate for accommodations.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Table 12: School Facility Conditions and Planned Improvements

New Vista School has diligently worked to upgrade its facilities to prevent emergency situations affecting all of its stakeholders. Over the last three years, the executive director has spearheaded a complete backyard renovation and cafe upgrades. Two new support rooms have been built, along with one additional restroom. Of the existing restrooms, two of the four were remodeled. Two new school vans have been acquired to assist with the school's growth.

Cleanliness and maintenance are consistent priorities for the leadership at NVS. A professional contractor cleans the school each evening, and the facility is also cleaned throughout the day by the school's janitorial employee.

Safety is also of great importance. Annual inspections are made of each system within the school facility, and all inspections have been completed for the 2021-22 school year with full clearances.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Table 15: CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment
Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020– 21	District 2021– 22	State 2020– 21	State 2021– 22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	[DPC]	N/A	[DPC]	N/A	[DPC]
Mathematics (grades 3-8 and 11)	N/A	[DPC]	N/A	[DPC]	N/A	[DPC]

Note: The 2020–21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020–21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–21 school year to other school years.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The primary representative of the New Vista School CTE program is Mrs. Agnihotri. (New Vista School does not have a formal advisory committee.) The industries represented on the committee is the Information and Communication Technologies pathway.

Note: Due to changes to the 2021–22 PFT administration, only participation results are required for these five fitness areas.

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Table 24: Opportunities for Parental Involvement (School Year 2022–23)

Parent involvement is a vital element of the overall New Vista School experience. It contributes to the students' academic, social, and behavioral goals.

Some of the opportunities include: in-class volunteering, all-school Family Picnic, Annual Golf Tournament volunteering/participation, parent/teacher conferences, and Parent Guild.

Parent Guild is a volunteer group of parents who oversee fun and memorable activities to help the students grow socially, strengthen friendships, and create a sense of belonging in the NVS community that will last a lifetime. This amazing group of parents meet monthly to discuss activities, concerns, and opportunities for the school. They also spearhead the schools' mandatory events such as Film Fest, Spring Dance and Sr. Graduation.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Table 28: Suspensions and Expulsions for School Year 2019–20 Only
(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	0	[DPC]	[DPC]
Expulsions	0	[DPC]	[DPC]

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

Suspensions	0	0	[DPC]	[DPC]	[DPC]	[DPC]
Expulsions	0	0	[DPC]	[DPC]	[DPC]	[DPC]

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Table 31: School Safety Plan (School Year 2022–23)

New Vista School's Health & Safety Procedures are reviewed, updated and revised as necessary on an annual basis. The 2022-2023 school year's Health & Safety Procedures were reviewed and updated in August 2022 prior to the beginning of the school year. They were reviewed and revised by the school's Operations Manager and then reviewed and approved by the school's Executive Director as well as the Director of Administration. These procedures were sent to all employees for review and acknowledgement the week of August 15th-19th, 2022. In our school's Health & Safety Procedures, the following are included with detail:

- Emergency guidelines including fire, earthquake, lock-down, bomb/package threats, and active shooter protocols.
- Outlines our school-wide emergency communication systems and the manner in which different groups and personnel will be contacted in the event of an emergency or during critical incidents.
- Outline addressing student medical concerns
- Workplace safety, health, and disaster preparedness
- School Safety Team & Safety Committee responsibilities
- Location and details of our Emergency Operations Center (EOC)
- First Aid approaches
- Sweep and Rescue procedures
- Campus Security Team and Emergency Assembly Areas
- Communications Team
- Emergency Relocation Plans
- Seizure Protocols.
